

## PRESIDENT'S MESSAGE

Dear Members,

I am pleased and honored to bring you the latest issue of CLIK Newsletter that includes updates and information about our recent events and activities.

It is especially gratifying to be working with an extraordinary Executive Committee whose enormous energy and passion helped us accomplish successful events like tech workshops at Mangalore, Shimoga, Tumkur & Bangalore, participation in Taitronics 2013, HKEF 2013 at Taipei, Taiwan & Hong Kong and our presence in Bangalore ITE.Biz as partnering association.

CLIK Executive Committee has ensured effective Policy Advocacy Initiative & Stake Holders' inputs with govt. departments. CLIK attends Central Excise Regional Advisory Committee & State Level Advisory Board Meetings to take up various policy issues for the benefits of our SME members.

We have moved CLIK office to a new location near to our Knowledge Hub (IISC Campus) so that members can avail even better facilities and accommodation space.

I am also proud to share that considering the tremendous opportunity for wireless technology, CLIK is very soon organizing an event 'CLIK UNWIRED'. Hope to see you there.

Just a reminder that we are always looking for information and valuable suggestions from you to make CLIK a better resource and one stop solution for all the needs of our members.

May this last quarter and financial year prove inspiring, productive and joyful!

**With Best Regards**  
*G. Satyanarayana*
